Bee,
Well, what can I say that everyone hasn't
already said. It seems like they've said it all so I
won't write a lot. I never forget the great times we
had in Science class and of course there was study in
211. Those were the best classes of the whole year. Just
think we only have 3 more years and then we become
SENIORS of '76. That's going to be super great. I
just hope you get what you want out of life be-
cause you deserve it. I wish you all the happiness in
the world. God Bless you Always.

Windber Routs Richland 34-7

The second half was a standoff at 7-7. The teams exchanged fumbles on the first three plays before the Rams came to life with three first downs, only to have an interception on the comeback. The third play a runback by Berkey plus a punt against the success of Windber 4-0. The payoff dirt. The score was 14-0 when Mike over from the line.
